Did you know that...

- We have our own event location? NON Burgersdijk! Check instagram & get inspired!
- All of our milk is biological, and comes from cows in Midden-Delfland? They're basically our neighbours. The milk is full and sweet of taste. A perfect combination with all of our coffees & cakes!
- We are the winner of the 'Westlandse Ondernemersprijs 2019'? With our highest rating being "the most distinctive in our branch". We're still very proud of this!
- NON separates all of their waste? That's why we have a total of 22 garbage bins.
- A few cups of coffee contributes to your overall health? The maximum lies around 500 ml a day.
- Our entire concept (including multiple renovations) is thought out, developed and designed by ourselves?
- We developed the recipes for all of our cakes, dishes and limonades ourselves? We also make everything ourselves!
- A cheesecake takes about 8 hours before it's ready to serve?
- We change our menus with the seasons? This enables us to always work with sustainable and fresh products, of which the footprint is as small as possible.
- 30% of our hospitality and fun is in NON bar, and 70% of all the happiness somewhere else? Like catering for companies, events and the NON shop.
